CEMENT
AND
LIME MANUFACTURE

Published by Concrete Publications, Ltd., 60 Buckingham Gate, London, S.W.1

INDEX TO VOL. XXXV, 1962

PAGE

"Airslide" air-activated conveyors 54
Associated Portland Cement Manufacturers, Ltd., The 71

AUTHORS:

Bartosch, E., on Suitability of raw gypsums ... 9
Beke, B., on State of equilibrium of the grinding process 46
Bleher, K., on Determination of loss on ignition ... 28
Boylan, D. R., *et al.*, on Production of sulphur dioxide and lime from calcium sulphate... ... 13
Budnikov, P. P., *et al.*, on Hydration of the aluminous minerals of Portland cement in the presence of finely ground carbonates 60
Chopra, S. K., *et al.*, on Preparation and chemistry of expanding cements 17
Grzymek, J., on Theoretical productivity and optimum dimensions of rotary kilns 45
Hilker, H. W., on Effects of automatic operation of rotary kilns 49
Kolbasov, V. M., *et al.*, on Hydration of the aluminous minerals of Portland cement in the presence of finely ground carbonates 60
Kruger, J. E., on The use of D.T.A. for estimating the slag content of mixtures of unhydrated Portland cement and ground granulated blast-furnace slag... 105
Kurdowski, W., on Polymorphic transformations of dicalcium silicates at low temperatures 48
Merriman, A. D., on Physico-chemical considerations of cement 69
Opoczky, L. S., on Utilisation of dust from rotary kilns 47
Pantaleev, A. S., *et al.*, on Hydration of the aluminous minerals of Portland cement in the presence of finely ground carbonates 60
Rai, Mohan, *et al.*, on Preparation and chemistry of expanding cements 17
Sulikowski, J., on Influence of false-set on the setting characteristics of mortar and grout ... 48
Takagi, S., *et al.*, on Influence of gypsum on rate of hydration 11
Takemoto, K., *et al.*, on Influence of gypsum on rate of hydration 11
Uchikawa, H., *et al.*, on Influence of gypsum on rate of hydration 11
Wheelock, T. D., *et al.*, on Production of sulphur dioxide and lime from calcium sulphate... ... 13

PAGE

BOOKS AND PAPERS:

Yamaguchi, G., *et al.*, on Influence of gypsum on rate of hydration 11
Effect of Alkali on the Strength of Portland Cement Paste, by K. M. Alexander and C.E.S. Davis 12
Glossary of Terms relating to the Manufacture and Use of Refractory Materials (British Standards Institution) 69
Hydraulics in Mechanical Handling, by J. R. Fawcett 68
New Approach to Portland Cement Kiln Refractory Problems, by H. Parnham 92
Projeto de um Forno Rotativo de Cimento, by J. F. Assumpção Santos 92
Solid Fuel Installations (National Coal Board) ... 69
Suppression of Steel Corrosion in Wet Grinding Mills, by Vincenza Anderlini and H. E. Vivian ... 12
The Platinum Metals in Thermometry, by J. R. Knight and D. W. Rhys 69
The Relative Importance of Various Physical and Chemical Factors on Bubble Characteristics in Cement Pastes, by G. M. Bruere 12
Toxic Substances in Factory Atmospheres (H.M.S.O.) 34
World Cement Directory (Cembureau) 54
